PURE

Face care

Antioxidant Night Cream

Antioxidant Night Cream provides skin moisturization and smooths skin microtopography minimizing wrinkle appearance.

It contains beech tree bud extract that helps boosting cell metabolism and increasing skin moisturization.

30 mL (1 Oz)

MXP\$220.00
(USD \$12.95 + Fees)

Skin care

Natural whitening cream

Natural Whitening Cream contains vegetable origin compounds which provide skin moisturization and offer activity against melanin synthesis.

Boeravinone B, the whitening agent extracted from the roots of *Boerhaavia diffusa*, works in the initial phase of melanin synthesis, evens out skin tone and reduces spots in number and intensity.

30 mL (1 Oz)

Muscle tone and weight loss

Plankton Body Toner

Plankton Body Toner is a creamy gel that stimulates adiponectin release. Adiponectin is a protein involved in regulating fatty acid breakdown.

Its active ingredient from marine origin redefines areas sensitive to sagging such as abdomen, arms, and thighs by mimicking the effect of endurance exercise.

120 mL (4 Oz)
